*Want to run chess tournament but do not have the equipment, experience, or licenses? We will provide the tournament structure and the insurance for up to 200 players for both USCF sanctioned events and unrated tournaments. We have experience running events according to your specifications. Provide the location and the ranked players, and we will take care of the rest. Our electronic pay system is used to collect all fees. We will set up and organize the tournament room and provide sets and clocks. Two USCF certified officials will run the tournament using Swiss Sys computerized software. We will provide the prizes and will post the results with USCF if rated. We have run over 50 tournaments and have the experience to do it right.*
