Wood Chess Club Winter 2021

Editor: Mark M. Wood - National Chess Coach

Vol. 4 No. 1 Feb. 15, 2021

Great Losses for Wood Services

2020 and 2021 were rough years for Wood Enrichment Services. We lost two of our key friends due to illness. This will be our last edition published in our Pennsylvania location. All money on the accounts will be refunded.

Our owner, Deborah S. Wood died on July 6, 2020 of kidney failure. Our office assistant, and our musician for Wood Services, She will be missed.

Steven G. Barone, died of COVID-19 on Feb 5, 2021. He was our onsite office assistant who was a great qualified musician.

The Outdoor Tournament - The Last in Pennsylvania

Before the winter set in, we had an outside tournament in Lancaster to prevent the spread of COVID. It was one of the few USCF tournaments in the area. All the other chess tournaments, both local and national have been cancelled. Our restaurants that we used for clubs have all closed for COVID. The SuperNationals tournament for 2022 also was cancelled. I plan to move out of the area in March and will develop activities in my new location.
