Wood Chess Club Winter 2022

Editor: Mark M. Wood - National Chess Coach

Vol. 4 No. 1

February 15, 2022

Wood Services Online

We will be increasing our online Zoom connections so Mr. Weber can work online with our new clubs in Florida. There is a lot of instruction that now can be done online.

Coaches' Corner

We will be restarting our organization in Port Orange Florida in the 2021-2022 school year.

Port Orange Family Days

Every fall, there is a weekend fair at the Port Orange City Center. We had a chess booth where kids could play chess. We had chess games and sold equipment. Our goal was to increase chess players for our club.

Our Activities at a Glance

We are reorganizing our organization in central Florida and obtained licenses so we can continue business. Our first club was held in Cypress Creek Elementary on Tuesdays in November and December. We have started tutoring in both chess and swimming in Port Orange during the fall.

Our New Area

Clubs will be held in local schools in Volusia County. Plans are underway in Deland, Deltona, Ormond Beach and Port Orange. On Saturdays, a community club is in place in Port Orange at Gabbies for anyone interested in further chess activities.
