State-Level Student Awards

John Ressler, our senior and new assistant coach was the first player to go undefeated in a state tournament. He won first place out of over 200 students in the 7-12 under 1000 group in the 2020 PA Scholastic Championship.

We won many team awards this year. We had five team trophies. We came in second in the K-3 open, K-6 Under 600, K-6 Open and K-8 Open. We were the first place team in the 7-12 U1000 division.

Tournament Director In Training

Ben Fredrickson has been working to become a tournament director by studying rules. This past March, he worked observed the state championship data room. He also was the data director for our regional championship in March

We have chess problems introduced in every club. Students need to predict winners and winning situations. There are many problems online that can be studied to help learn chess strategies. Who will win this game?

Future Dates

These are the last tournaments before COVID cancelled all events. Wood Chess of Pennsylvania is discontinuing club meets until further notice.
